Farm Show Vendors:

The Farm Show **lists and maps** are enclosed or attached. Please check that you can live with your neighbors. Please also check that your spaces, tables, and electrical needs are correct.

We will be listing you all in our **vendor information and contact brochures** again for your thousands of visitors at the show to take home with them, so we hope they'll continue to contact you throughout the year.

A **WAXX vendor hospitality room/lounge** is in the giant expo room (formerly JCP), in the back on the left. Since the 4-H is in the back of the same room on the right, if you get a lunch break, you can carry it into your lounge for some comfort. WAXX Radio provides morning coffee and donuts there each day, so get them early, as they never last long.

Please note that the **parking** lot equipment area is closer to Younkers again this year per contract stipulations with our new Kohl's store. Do not park in the first 2 rows near Kohl's with your vehicles after unloading items for your indoor space. **Please park in the West area lot up near United FCS/AgCountry Farm Credit Services.** We realize it's a bit of a walk, but you don't want Farm Show customers/visitors to be discouraged from returning to this show because of parking problems.

*You are invited to attend a **vendor reception** to be held on Wednesday, February 21st at 4 p.m. in suite 101, which is the black & bright pink walled room to the right before you get to the ramp going up to Younkers in the Marshfield Mall. Free tickets for each vendor will be provided in your welcome packet at the show. Beer & water are available for purchase.*

*At 4pm, Marshfield Chamber of Commerce & Industry's Agri-Business Committee is providing specialty cheeses and other Ag related products. Enjoy free **great food** in the same location provided as a thanks from Marshfield Mall. We hope you join us!*
