September 7, 2022

Dear Community Business Owner,

We are happy to report that on October 15th, 2022, the school again will host its annual Harvest Festival and Chili Cook-Off Competition. This event traditionally has been the primary fundraiser for the SFDS Scholarship Fund. Over the past few school years, due to the pandemic, SFDS has provided scholarship assistance to families in need far in excess of its usual aid.

We are procuring auction items for the SFDS School Scholarship Fund to help raise money to assist families who need financial help for their children's tuition. Each donated item will be featured in our Harvest Festival Silent Auction that will be open to the public and elegantly displayed. All donations are tax deductible. We understand that times remain difficult for businesses these days as well. Donated goods or services in any price range are welcome. We hope that highlighting you as a donor partner will provide goodwill and lead to increased business. We are asking for donations to please be submitted by October 3, 2022.

Thank you for consideration with helping with the worthy cause for the school.

Please e-mail me at laurendussinger@hotmail.com if you have any questions.

Sincerely,

Lauren Dussinger

SFDS Scholarship Committee
