

VOLUNTEERS NEEDED!

WE NEED YOUR HELP!

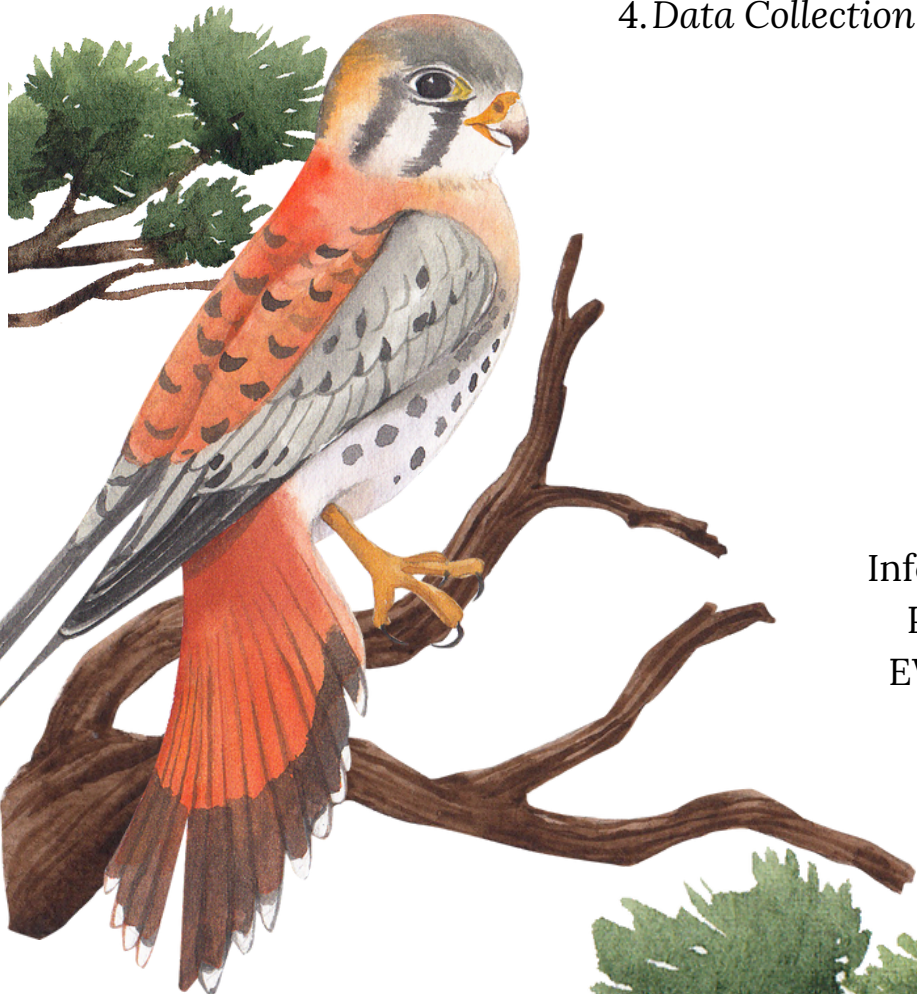

The Raritan Kestrel Partnership needs volunteers to help with monitoring local kestrel boxes during their breeding season.

Volunteers will:

- 1. Prep existing nesting boxes for the coming season*
- 2. Visit nesting boxes weekly to monitor for occupancy*
- 3. Report kestrel nesting to RHA and NJDEP staff*
- 4. Assist NJDEP Zoologist in banding nesting kestrels*

Skills you can Learn:

- 1. How to identify proper kestrel habitat*
- 2. Bird ID (including adult, young, and egg identification)*
- 3. Banding Techniques*
- 4. Data Collection Techniques*
