AUCTION & RAFFLE ITEMS CASINO PRIZE PACKAGES

If you are unable to sponsor Ark's annual event but would still like to contribute, please consider donating an auction or raffle item or a casino prize package.

Auction and raffle items can be anything from products and services to handcrafted items and artwork. Items that garner the most interest from event-goers are those things that have personal or emotional value such as artwork, handcrafted woodwork, sports memorabilia, or items that are hard to come by such as antiques, limited edition pieces, unique objects, or items of high quality.

At the event, guests will have the opportunity to play casino-style games and win prize packages.

If you would like to donate a raffle or auction item and/or a casino prize package, please call (307) 742-6641

The vision of Ark Regional Services is that all people have the opportunity to experience the world in which we all live. In order to support this vision, Ark Regional Services will facilitate opportunities for people:

to LIVE enriched, full, and individualized lives;

to LEARN what is necessary and meaningful to realize personal success;

to WORK toward individual accomplishment, employment satisfaction, and community contribution;

and to PLAY...

Your support will raise awareness and start conversations about the tremendous value that people with disabilities bring to our community. Please help us foster a culture in which all people are respected, valued, and can fully participate in lives of quality and meaning.

Why your support is so important...

People have individualized and diverse wants, needs, and levels of ability, so we cannot take a one size fits all approach in supporting them. The supports we provide require:

- A well-trained, highly skilled workforce
- Education & experience in disability support services
- Assistive & workplace technology
- Specialized equipment
- Vehicles & facilities

The expenses associated with operating and maintaining an organization that provides the outstanding level of service that this community has come to expect from Ark Regional Services are great. We cannot do it without financial support and contributions from companies, businesses, and individuals that believe in our vision and mission.

Thank you!

Tickets to the event are \$50 each or \$75 for two and can be purchased at **1150 N 3rd Street** or at www.arkregionalservices.org
