

Bandage a Bobcat

WHERE MIDDLE SCHOOL STUDENTS EXPLORE OPPORTUNITIES IN MEDICINE

Who? 7th grade students from the Greater Columbus area. Adults must accompany minors, and other family members/friends are welcome.

What? A fair hosted by Ohio University Heritage College of Osteopathic Medicine (OU-HCOM) to encourage 7th graders to pursue careers in medicine and healthcare. Participants can engage with medical students, physician residents, and community members in a variety of hands on activities including:

- Sutures
- Blood pressure readings
- Ultrasounds
- Osteopathic Manipulative Medicine (OMM)
- Stress management
- and more!

Where? Prairie Township Community Center

When? Wednesday, April 17th from 6-8pm
