NOLA LANDBRIDGE COASTAL WORKSHOPS

Date: March 19th, 23rd, or 30th

Time: 9 am - 12pm or 12pm - 3pm

Place: UNO's Shea Penland Coastal
Education and Research Facility

Workshops are free. Registration
limited.

**RSVP for a preferred date and
time by March 12th**

Contact: Dinah Maygarden;
dmaygard@uno.edu

Join staff from Restore the Mississippi River Delta and the University of New Orleans for a coastal restoration field workshop to the New Orleans Landbridge. Travel by boat to visit a critical restoration area. Learn about the importance of the landbridge, plans for restoration, and ways to support the effort.

COVID-19 SAFETY: All activities will follow COVID-19 safety guidelines, including limited group size, mandatory mask-wearing and careful sanitizing.

Sponsored by the National Wildlife Federation
In partnership with the University of New Orleans Pontchartrain
Institute for Environmental Sciences
