

# Free Citizen Science Training at the Barataria Preserve

**Saturday February 8 from 10AM – 2PM**

Barataria Preserve Education Center, Marrero  
For information or to register, contact  
Elizabeth\_Marchio@partner.nps.gov or 504-382-0294

Is spring arriving earlier in south Louisiana? Discover phenology, the study of plant and animal life cycle events. Learn how to record observations that will help scientists study how ecosystems change over time.

In Partnership with:

**Jean Lafitte National Historical Park & Preserve**

Barataria Preserve Education Center | 6588 Barataria Boulevard | Marrero, LA 70072  
Coordinator: Liz Marchio, Ph.D. | 504.382.0294 | elizabeth\_marchio@partner.nps.gov
