

THE OPTOMETRY CENTER FOR VISION THERAPY  
AND ERICA O'BRIEN, OD, FCOVD PRESENT:

## THE VISION AND LEARNING CONNECTION:

### *Montessori Mornings*

Did you know that 20/20 vision does not guarantee an effective visual system? Join us to learn why **1 in 4 children** are struggling with an underlying visual deficiency that may be affecting their ability to learn in the classroom.

**Common signs and symptoms include:**

reduced reading speed and comprehension, skipping words/lines when reading, headaches, reversals, and poor spelling abilities. Make sure your child has all the tools they need to reach their full potential!
