

ALBERTA
ARTS, CULTURE AND
STATUS OF WOMEN

Office of the Minister

Dulcina Hospice Volunteers

Dear Dulcina Hospice Volunteers:

The Alberta Northern Lights Volunteer Recognition Program recognizes Alberta's everyday heroes. The program celebrates the contributions of Albertans who volunteer formally or informally, demonstrate community spirit and serve as a role model for others. We are thrilled to profile your story on the Alberta Northern Lights Volunteer Recognition Program page at alberta.ca/northernlightsvolunteers. Your picture and story of how volunteerism has helped your community is being featured on the site with a number of other amazing volunteer stories throughout Alberta.

As the Minister of Arts, Culture and Status of Women, I would like to take this opportunity to thank you on behalf of Alberta's government for your acts of service and for demonstrating community leadership. Your efforts to help make life better in communities across the province are admirable, and I encourage you to continue demonstrating community service and generosity through volunteerism.

Thank you again for being an Alberta volunteer and a shining light in your community!

Sincerely,

Honourable Tanya Fir
Minister of Arts, Culture and Status of Women
