

# *First Friday Flair*

*Make some awesome flair and make a difference in a young person's life!*

On Friday, June 1st AfA's usual First Friday fun will include food, wine, and FLAIR after the youth performance! Yes, we are referring to the fun buttons that Jennifer Aniston sported on her waitress uniform in Office Space. Your flair will have extra *flare* because donations go directly to our Phoenix Rising youth empowerment program.

*Food, wine and flair-making 6:30 to 8pm*
