

Flintridge Fund Committee 2025-26

FLINTRIDGE FUND COMMITTEE MISSION AND GOAL

The goal of the Flintridge Fund Committee is to attain 100% parent participation in the Flintridge Fund; to be ambassadors and advocates for benefits of a strong Flintridge Fund; and to help educate the parent community about how their participation makes an impact on our whole school: our students, families, faculty, staff, campus facilities and mission.

Each year, every family at Flintridge Sacred Heart is asked to participate in the Flintridge Fund in a way that is meaningful to them. This is our most important fundraising effort. Robust parent support enables us to continue the tradition of educating each student for a life of faith, integrity and truth. The Flintridge Fund Committee plays a vital role in kicking off our Flintridge Fund Campaign with peer-to-peer outreach during our parent pledge drive to ensure that families feel informed and connected to the impact of their giving.

Because the Flintridge Fund is such a critical part of our fundraising efforts, all Flintridge fund committee volunteers who complete their outreach will receive 30 volunteer hours for their efforts (completing their required hours for the year).
