# "GARDERE TAKES FLIGHT"

## KITE COMPETITION DETAILS

**We invite you to join us in our mission to make Gardere a Safe and Healthy Community and help our kids experience the JOY and WONDER of their first flight!**

Join us **March 16, 2024 from 10 AM - 1 PM in the Hartley/Vey park** for a fun-filled day for the whole family! There will be team kite flying competitions, kite making, food, snow balls, opportunities to learn about the important work Gardere Initiative does in this community, and much more.

We are looking for TEAMS to participate in the Kite competition. Each team will raise \$1,000+ by reaching out to their network. We will guide you along the process of making a team including providing you with photos, videos, the link to the website where you can set up your teams, etc.

**HOW TO MAKE A KITE:** We are asking you to make **INDOOR** kites just in case there is insufficient wind, but you can make both if you would like. This site is very helpful in constructing your kite:

**Then have fun decorating your kite!**
