

# SALUTE TO OUR MILITARY WEEKEND

## HELPING AND HIRING OUR HEROES

A Community Resources and Job Opportunity Fair for our Armed Services Members and Veterans

Come help support our military men and women in uniform by bringing your Veteran affiliated non-profit organization resources and/or your business job opportunities to the Big Horse Corn Maze for our Veterans and active duty military!

**SATURDAY OCTOBER 8, 2016 FROM 11a.m.-3p.m.**

**HERE'S HOW "HELPING AND HIRING OUR HEROES" WORKS!**

If you are a Veteran Affiliated Non-Profit Organization or a business or Corporation with available job opportunities, the Big Horse Corn Maze will provide a 10 X 10 area for your organization or Business to offer information, resources or potential job opportunities to our military men and women, veteran or active duty

If you are a Business looking to hire nothing less than the best or a non-profit looking to reach out to our veterans and active duty military with your services, this is the place for you!

We wish to make this a yearly activity and want to invite the public and local businesses to come, participate and show our support for all of our military men and women who protect our freedom and liberty every day.

*This event is being done in cooperation with*

Veteran's and Military Networking Group for the Temecula Area
