Logistics/Suggestions:

- 1. We suggest bringing a tent that has either weights or stakes due to the wind. You are designated a 10'x10' space unless prearranged with Mantooth. Chair, tables, tent, and supplies must be provided by your team.

- 3. We will not cancel the concert due to weather unless safety is a concern. This is determined by the Thor Guard Lighting and Warning System implemented on CSU's campus. If you set up a booth and the concert is rained out, you are able to set up at another concert.
- 4. Set up can begin as early as 4:30 p.m. All vendors and sponsors must be set up and ready to go by 6:00 p.m. at the latest, as concert-goers arrive early!
- 5. Please do not pull up your car or unpack before 8:30 p.m. For safety reasons, we ask that you be very careful driving, as there is lots of pedestrian traffic after the concert.
