TAYLOR SHEAD

Taylor Shead is one of only 95 black women to raise more than \$1 million, in a field where black women historically receive less than 0.30% of total venture capital investments. In 2021, STEMuli was named the STOP Award's most transformative app for students by Forbes and The Center for Education Reform.

CEO, STEMULI

RSVP BY OCTOBER 5TH: thegemscamp.org/metaverseretreat
