

## North Branch Park, Bridgewater Twp

# Volunteer Tree Planting

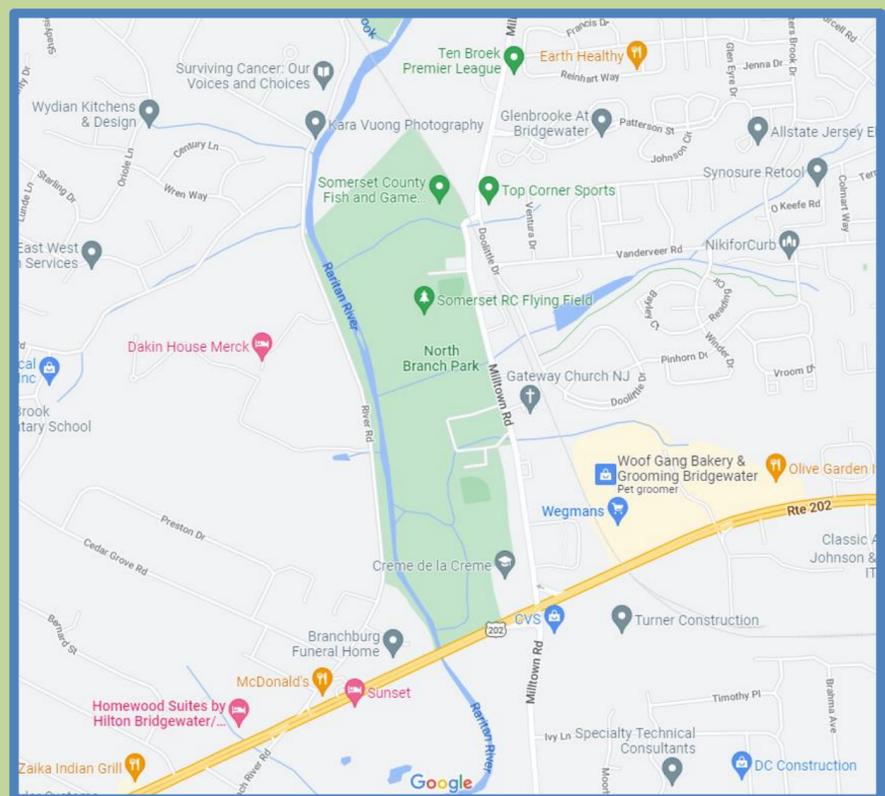

Join Raritan Headwaters Association and Somerset County Parks Commission as we restore the stream corridor along the North Branch Raritan River. Trees help stabilize streambanks, prevent erosion, control flooding, provide habitat for wildlife, and provide shade which helps maintain cooler temperatures for fish and other aquatic life. Please join us for this important endeavor!

Thursday and Friday  
**October 13 & 14**  
9am-4pm
