

Parent Volunteer Information Letter

Dear Parents,

On **2/9/2023** our class will be going to Enterprise Village. This trip is part of the Free Enterprise-Consumer-Economic Education program in the Pinellas County schools. Enterprise Village is part of the Gus A. Stavros Institute and is located at 12100 Starkey Road, one mile south of Ulmerton Road in Largo. (The telephone number is 588-3746).

On that day, each student will become an Enterprise Village citizen and assume a job in one of the Village businesses. Students will experience economics first hand by applying for and getting a job, producing and selling products, earning paychecks, shopping in the stores with Enterprise Village money and managing a checking account.

We need **18-33** volunteers to assist us at Enterprise Village. The role of the volunteer will be to provide guidance and assistance to the students as they operate their businesses during the day. **You must be an approved volunteer to participate. If you are uncertain of your status, contact your child's school.**

To prepare for that day, a training will be held at The Gus A. Stavros Institute the morning of your school's visit to acquaint you with your responsibilities. **This training is mandatory and will begin promptly at 8:10am. Please arrive 15 minutes prior to the start of the training!** Even if you have volunteered at Enterprise Village in the past it is suggested that you attend training again. A McDonalds lunch can be purchased for \$2.75. **A photo ID is required.**

We look forward to your participation in this exciting educational experience. Please complete the slip below and return to me at school by _____
