

# Refugee Health Center (RHC)

## Goal

## Locations

### Apartment:

### Refugee Health Clinic:

222 Alexander Street,  
Rochester, NY 14607

## Time Requirements

**Pick-up:**

**1st Appointment:**

**Expected End:**

**Expected Total:**

## Family Information

**Names:**

**Contact Info:**

**Notes:**

## Appointment Information

**Arrival:** There is a parking garage across from the front door and they'll give you a parking pass at the clinic's check in desk, or you can park right on Alexander – there always seems to be a spot on the street and it's free, and then you just walk up the sidewalk to the big glass doors. Inside the lobby, take the elevators on your left to the second floor. Then walk straight down the hall and take the second set of elevators to the fourth floor. On your left is the doctor's office. You can check them in. They will have an interpreter available during the appointment. You \_\_\_\_\_ wait for them in the waiting room during the appointment.

**End:** Please look over the paperwork they receive before you leave with them and note:

- ☐ Next Appointment \_\_\_\_\_
- ☐ Prescriptions \_\_\_\_\_
- ☐ Additional Labs \_\_\_\_\_

**Notes:** Both the lab and the pharmacy are on the second floor – so you would take the elevators back down to the second floor, turn right, and the bloodwork lab is on the left and the pharmacy on the right. If they get prescribed any over the counter medication, we recommend that you bring them to a pharmacy. You can stop by our office to get our Credit Card and purchase it at the CVS right near us, or you can pay with your own card and save the receipt for reimbursement.

## Volunteer Notes

Vehicle needs to hold \_\_\_\_\_  
If you have a WR lanyard, please wear it.  
Please Track your hours & mileage.  
You've Got This! It's going to be great!
