STEM NATION

WHAT IS STEM NATION?

STEM Nation is a one-day experience for selected students at your site where they can interact with robotics, engineering, and technology activities in a theme park-like environment. Each school will send 15 students per grade level to attend STEM Nation with their families.

STEM NATION

STEM Nation will have several “lands” (think the lands of Disneyland), including:

ozobot

CoderZ™

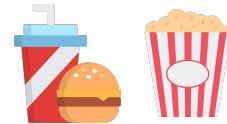

LEGO education

codrone

EDUCATE • INNOVATE • CAPTIVATE
FULLERTON
EDUCATION FOUNDATION

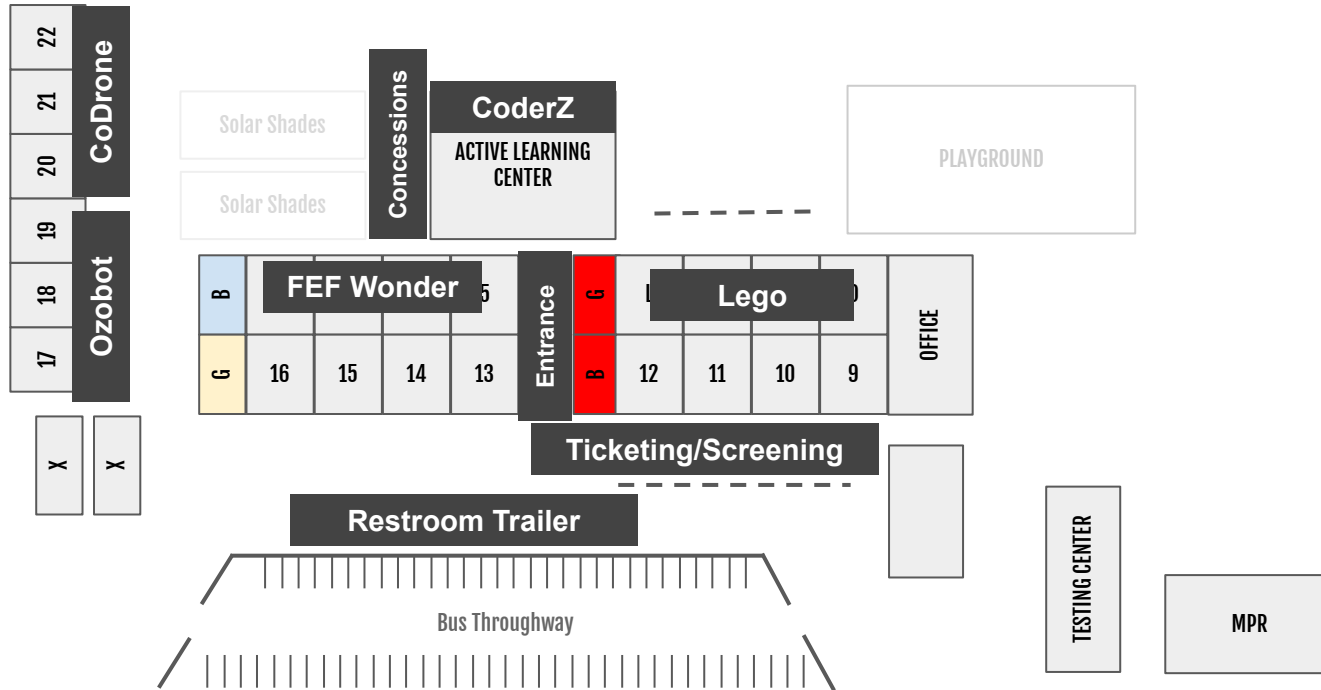

FOOD & CONCESSIONS

STEM NATION

This is a tentative layout of the event at Pacific Drive School.

STEM NATION
