

Santa's Shop is coming!!!

Get your Christmas lists ready!!!

Wednesday, December 8, 2021

One day only in the school auditorium

Don't forget to send your children to school with \$\$\$

Santa's Shop

Santa's Shop is coming!!! It is an exciting opportunity to raise funds for our school and provide an enjoyable experience for the kids to learn how to budget, be thoughtful of others, and to realize the spirit of giving during the season of Christmas.

Our Christmas wishes for the Santa Shop:

- To provide a wonderful opportunity for the kids to give gifts of their own accord. Not only are they excited to have the chance to shop for those they love, they are able to do it without any supervision (aside from teachers) and can choose the gifts according to their OWN choices.
- For the kids to learn and practice to count and budget their money when purchasing several items.
- Giving gifts that they have taken the time to purchase is very exciting! The gift of giving is a valuable lesson and can be just as exciting as receiving gifts!

We will have several items for the children to choose from. Prices range from \$1.00 to \$10.00. Many of the items are \$3, \$4, \$5 and above so please send your kids with enough money to purchase items for their list of family and friends.

We take the time to do this because we truly enjoy giving the kids this experience. It is also VERY cute to especially see the little ones be so excited to get presents for their family and friends. Some kids just grab and go and some really stop to think about what choices they want to purchase, their faces so concentrated while calculating the costs, how much money they have, and whom they are purchasing gifts for. PRICELESS!

See you at Santa's Shop! We'll be there with bells a-jingling!!!! HO HO HO
