

# Community Service Project: Sign Up Today

## Evergreen Cemetery Cleanup

**WHEN:** Monday, January 16th (Martin Luther King Jr. Day) 9:00am-1:00pm

**WHERE:** Evergreen Cemetery (off of Nine Mile Road)

**WHAT:** Volunteer now to join a group of dedicated volunteers restore one of Richmond's most historically-significant African-American cemeteries. We will be raking, trimming, cutting, clearing brush, and removing litter from this special site, which includes the graves of such local pioneers as Maggie L. Walker. Let's help make a difference for those buried here and their living descendants. Sign up TODAY on Track it Forward [www.trackitforward.com](http://www.trackitforward.com) (Go to January 16)

I need all volunteers RSVP'd by SATURDAY January 14th
