

2019 SWAMP SCIENCE FESTIVAL

Free!

SATURDAY, OCTOBER 26

11:00 AM - 3:00 PM

Visitor Center, Barataria Preserve

6588 Barataria Blvd., Marrero

Explore the Barataria Preserve and learn about science and research happening in your own backyard!

FREE family friendly hands-on activities, walks, and talks by National Park Service rangers and volunteers, ISeeChange, Nature's Notebook, Audubon Society, FrogWatch, and more!

Explore the health of your waterways, how frogs can tell us about ecosystem health, how to track bird migrations and much more!
