

SAINTS PLACE TRANSPORTATION

How do I get to Saints Place? Saints Place is located at 8 Wickford Way, Fairport NY 14450. When you get to St. John's, you will keep driving along the right side of the parking lot, all the way back, until you get to the Saints Place entrance (you will follow the road until you reach a dead-end.) You should see these blue donation bins and this entrance:

What do I do when I get to Saints Place? Locate a Saints Place volunteer and let them know the _____ family is here for their appointment. The Case Manager sends a client intake form beforehand, so Saints Place should have the family's information.

How long does this appointment take? Appointments can take around 2 hours for a small family, and 3-4 hours for a large family. Feel free to leave, grab a coffee, and return. You can also bring a book, or use the time to get to know the family members!

On the way back: Each family member will typically receive 2-3 bags of clothing to take home with them. This is important to know when transporting the family back! If you are unable to fit all of the bags in your car, you can make a trip back to Saints Place without the family, or a Case Manager can pick up the bags later. If you decide to have a Case Manager pick up, please let Elisabeth know at 585.622.4336. **we will try to schedule two volunteers if the family is large, to eliminate multiple trips!
