

Community Service Project: Sign Up Today Evergreen Cemetery Cleanup

WHEN: Saturday, December 3.....8:00am to 12:00pm

WHERE: Evergreen Cemetery (Henrico County - East End)

WHAT: Volunteer now to join a group of dedicated volunteers restore one of Richmond's most historically-significant African-American cemeteries. We will be raking, trimming, cutting, clearing brush, and removing litter from this special site, which includes the graves of such local pioneers as Maggie L. Walker. Let's help make a difference for those buried here and their living descendants.

Sign up TODAY on Track it Forward www.trackitforward.com (Go to December 3rd)
