

June 27, 2016

Dear Parents,

We would like for you to share in our love for the Integrity Academy community by sporting our logo and supporting our school! We have included **one free Integrity Academy car decal** per family, please apply it to your most used vehicle. If you are not going to use the sticker, please return it to the office so we may offer it for sale. We have additional stickers in the office at this time for those of you who would like a sticker for each of your cars.

School shirts:

All students and staff need to order at least one Integrity Academy t-shirt. Lou Rae and Elizabeth designed screen prints of mandalas for each classroom. We will have a screen printing day where each student will be able to participate in making screen printed t-shirts with the Integrity Academy logo on one side and the class mandala on the other. In order for your child to come home with his or her own t-shirt, you will need to order one from this form.

Please return the order form with your payment (by check or money order) to the office on or before July 7th. This timeline will allow the shirts to arrive before the end of Unit 6 so that we can plan our screen printing day :)

Thank you in advance for your participation.

In gratitude,

Ali Ronder
